# Todd Krupa

255 E 18th Street #3A

Brooklyn, NY 11226

917.861.1007

landlessfarm@gmail.com

## Profile

- Achieves top notch sound quality with a mastery of digital tools.
- Balances thorough technical knowledge with aesthetic and practical values.
- Lifelong student of listening, not only to sounds but also people.

## Experience

### Teaching Faculty
Institute of Audio Research

(10 years) 2004 – 2014.

- Wrote official lab manual and program for MIDI at IAR, centered on Native Instruments Komplete.
- Delivered lecture and lab curriculum for the following topics: Sound Design, MIDI, Sampling, Production, and Mixing.

### Sound Designer

(10 years) 2004 – Present.

- Prepared sounds featured in the retail release of Native Instrument's Razor.
- Design, develop and manage the Radish Patch online library.

### Electronic Music Composer / Performer

(15 years) 1999 – Present.

- Composed and developed three EPs and one LP album as alias Landless Farm.
- Composed Music for Raz Mesinai's upcoming Ipad graphic novel (featuring Kode 9 and Mary Anne Hobbes).
- Performance experience at key venues in the US and abroad.

| **Education** | ▪ Bachelor of Arts Degree in Music Composition.  The New School University, May 2004. <br> ▪ Proprietary School Teaching License.  New York Coalition for Schools, July 2008. |

**Portfolio**

### Sound Design
www.radish-patch.com

*Radish Patch is an online sound library designed by Todd Krupa.  It best represents his current work in terms of quality, organization, and imagination.*

### Production
www.landlessfarm.com

*Here musical examples can be found, showcasing compositions from the last few years.*

- Original sounds on all tracks – only in one or two cases were modified presets used.

### Instrument Design & Programming
www.landlessfarm.com/portfolio/Krupa_instrument_design_reaktor.zip

*These custom made tools demonstrate conceptual and (graphic/modular) programming skills.*

- Expert in Reaktor programming, Adept in Max/MSP/M4L.
- Can custom build new devices to fit specific criteria.

### Mixing
http://www.xlr8r.com/mp3/2010/08/goldeneye

- Mixed and Mastered by Todd Krupa.
- Top 10 downloads of 2010 by XLR8R magazine.

### Technical Writing
www.landlessfarm.com/portfolio/Krupa_technical_writing.zip

*A selection of manuals written for the Institute of Audio Research.*
